Our hommous and falafel are prepared fresh daily using all natural garbanzo beans. Garbanzo Beans are a good source of fiber that can help lower cholesterol and improve blood sugar levels

Grilled chicken is a very good source of protein, providing 68% of the daily recommended protein in just 4 ounces.

We use fresh, organic eggplant. In addition to featuring a host of vitamins and minerals, eggplant also contains important phytonutrients with antioxidant activity. They also may help lower cholesterol.

High dietary intake of garlic helps to strengthen the immune system.
